## **Sunday School News**

God's Little Sheep worked hard on this project with me.

Our Sunday School class buried a time capsule in celebration of the groundbreaking that took place in July of 1923 to begin the church building that we reside in now.

May this church continue to bless the lives of many others for the next 100 years!

Happy to serve this church!

Ms. Pam

### **SOME PEOPLE ARE LIKE POTATOES**

Some people are very bossy and like to tell everyone what to do, but of course, they do not wish to soil their hands. You might call that type *Dick Tator*.

Some people never seem to be motivated to ever participate. They are content just to watch while other do. They are *Spec Tators*.

Some people never do anything to help, but they are gifted at finding fault with the way others do things. They might be called *Comment Tators*.

Some old people are always looking for ways to cause problems. They look for others to agree with them that it is too hot, or too cold, or too sour, or too sweet. You call them *Aggie Tators*.

Then there are those who always say they will, but somehow never get around to doing anything. They are *Hezzie Tators*.

Some people put on a front and act like they are someone they are not. They are *Emma Tators*.

Still there are those who live what they talk. They are always prepared to stop what they are doing to lend a hand. They bring real sunshine into others' lives. You might call them *Sweet Tators*.

**LORD, HELP US TO KNOW WHAT KIND OF TATOR WE ARE.**
